relaxed, joyous or annoyed,  
when they got together at school affairs*

anything—cut and sew, write for the paper,  
conquer office machines, or solve problems*

THE  
MANY

FACES

OF THORNTON

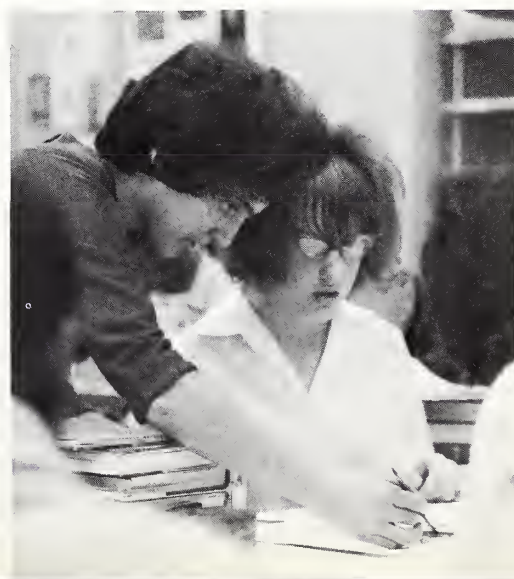

## The Facets of Creativeness

*In art classes, clothing labs,  
or special crafts classes, students  
learned the joy of using their hands*

# The Facets of Everyday Living

*Thorntonites went about their business  
—counselors' office, cafeteria, playground,  
or special Homemaking tea for mothers*

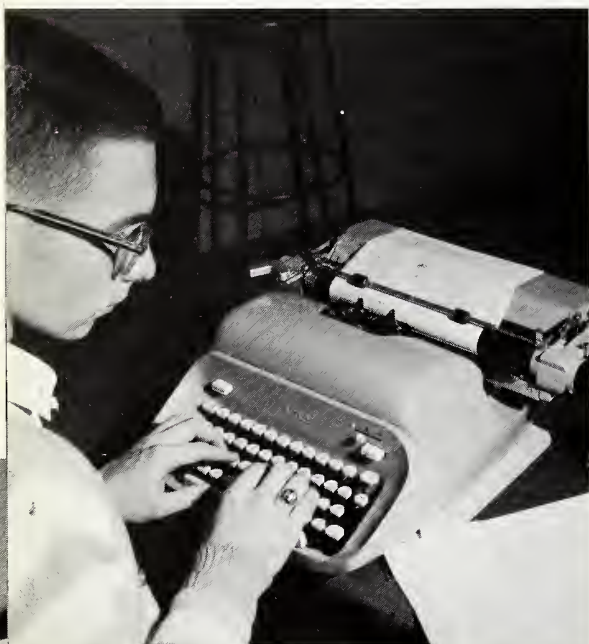

# ITS FUNDAMENTALS

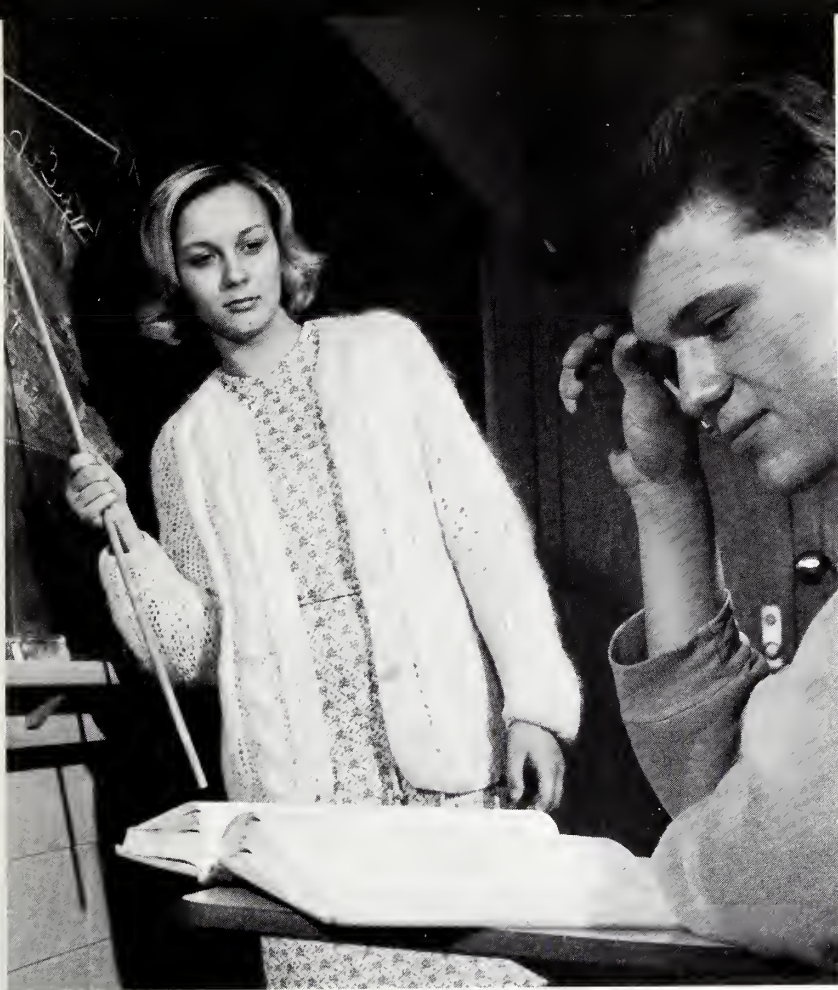

*Gerry Peterson uses the special symbols on the new MATH typewriter.*

*With the help of Craig Schneider and Mr. Kirkham, Carol Groff makes a recording in Advanced SPEECH.*

Readin', writin', and 'rithmetic—modern version—were to be found in Thornton's classrooms. Visual aid materials, sound recordings, all sorts of electronic equipment and teaching devices made learning interesting to those who had the capacity and the desire to absorb it. Opportunity was there. How students used those opportunities was an index of their maturity or the lack of it.

*In ADVANCED ALGEBRA, Janet Gee explains to Larry Peterson the graphing of inequalities.*

*Alan Moorman works at the PROCESS CAMERA in the darkroom.*

*Mrs. Jackson uses the OVERHEAD PROJECTOR to get across the point to her English class.*

*Paper work in CRAFTS—  
Jeff Bransky, Barbara Koelling.*

*Electro-magnetic test in ELECTRIC Shop—John  
Jenkins, General Gordon, Mr. Sivilie, Doyle Anderson.*

## Classes, shops, gym developed skills

Thornton's educational program is aimed at developing many types of skills. There is vocational training for those who want to gain mechanical skill. There is art training for those who like crafts and who have a creative bent.

Physical skills appeal to those with good muscular coordination. Languages, whether ancient or modern, challenge some. Those who like to argue learn to reason as well as talk in debate. Everyone has a chance according to his abilities.

*METALS Shop—Bill Buckner at the  
anvil; Tony Scudella at the forge.*

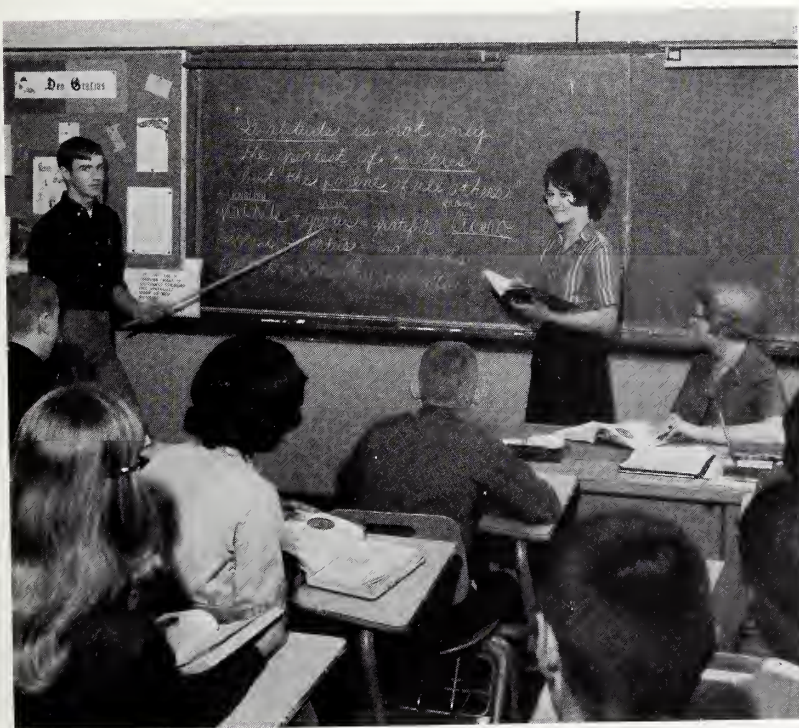

*WEIGHTLIFTING—As Ron Archie lifts the weights, Bob France, Curtis Jaynes, Don Czekalski stand by.*

*LATIN lesson—Scott Davis with the pointer; Gloria Stojak holding the book; Miss Henderson looking on.*

*DEBATE—Johnnie Mae Dailey challenges the class to refute her statement.*

## Girls practiced homemaking techniques

Thornton's future Homemakers got experience in household routines. Keeping the work area clean and neat was as important as learning to cook. Table setting and serving the meal were emphasized.

Choice of fabrics, colors, and styles was as much a part of clothing classes as the actual putting together of the garments.

Four teachers and two new courses kept everyone busy. When new draperies finally arrived for the apartment, there was cause for celebration. Additional lighting for the living-dining area was a great improvement too. Mothers of the girls had a chance to tour the department before Christmas when they came to open house.

*CLOTHING class—Nyla Bult, Mavis Blake at the machines; Barbara Ahrens basting a hem.*

*Cheryl and Karen Carlson demonstrate modern dishes, both plastic and ceramic, in CONSUMER Education.*

*MEASURING a skirt—Rosemary Peete standing on the table; Sharon Brody marking the hem.*

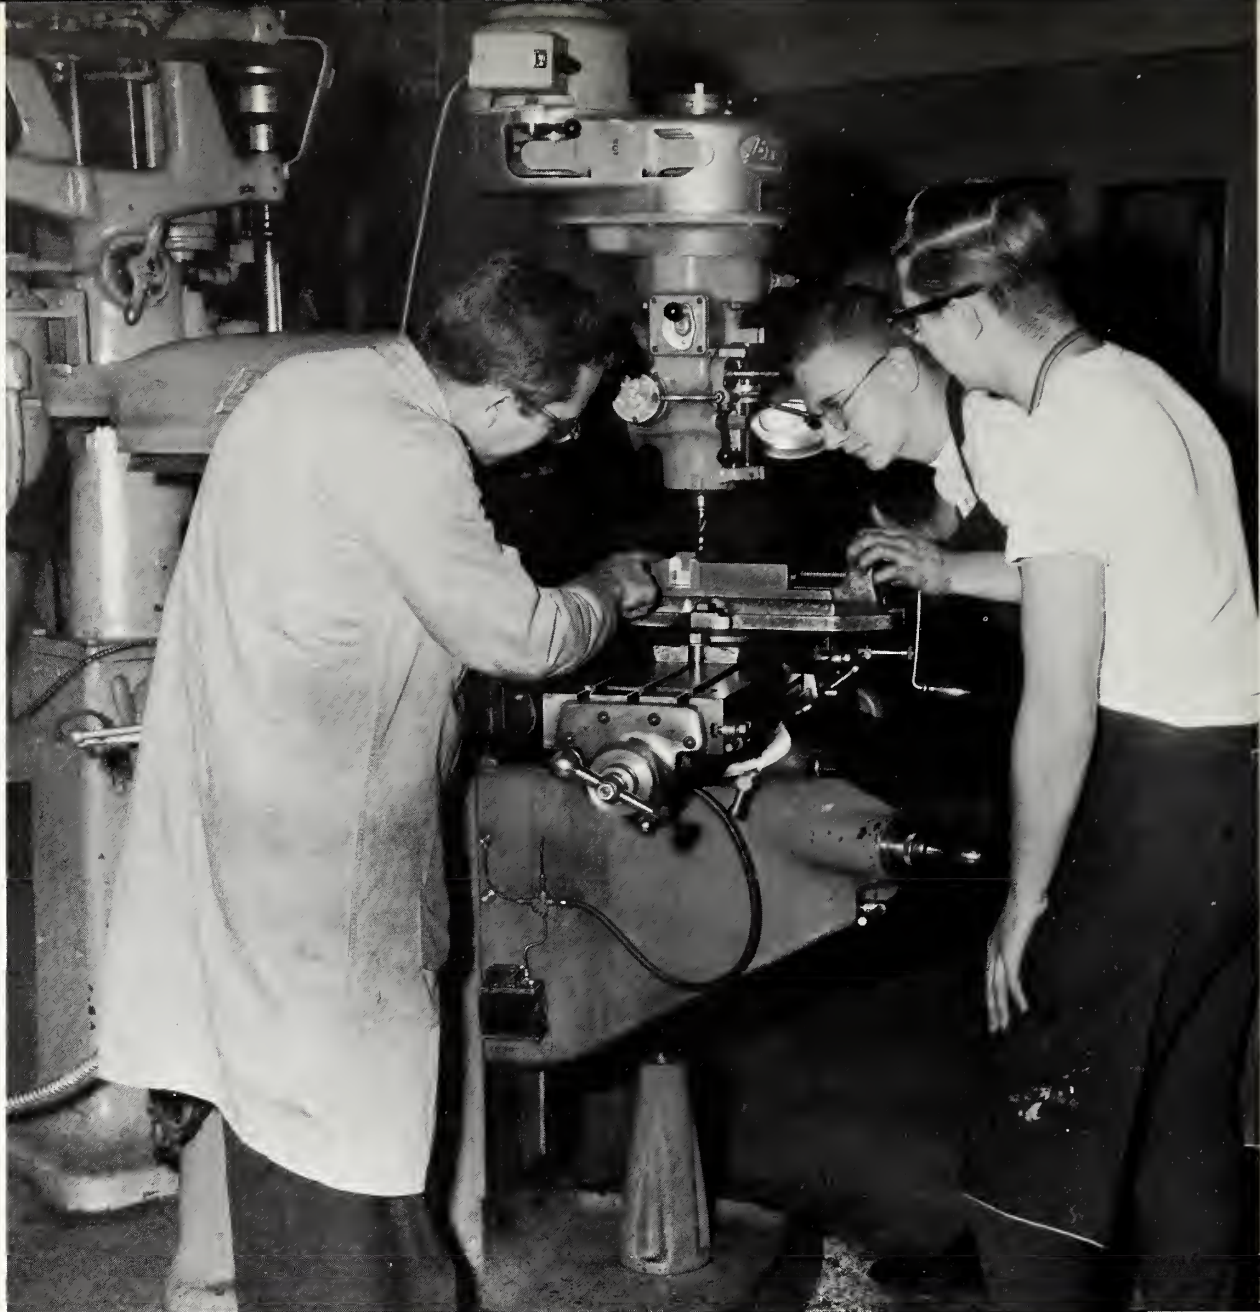

*Mrs. Daniels of the Milnot Company demonstrates DESSERTS with Francene Paschke, Nancy Davis helping.*

*Setting up a TEA table—Phyllis Kenney, Marie Jackubowski, Marilyn Wright, Shirley Bailey.*

*Mr. Lemmon explains the new vertical MILLING machine to William Smith and Richard Dado.*

*Using the TYPE cases—  
Ed Dye, Oliver Whiteside.*

*Discussing bearing repair—  
Mr. Tipton, Walter Glogowski.*

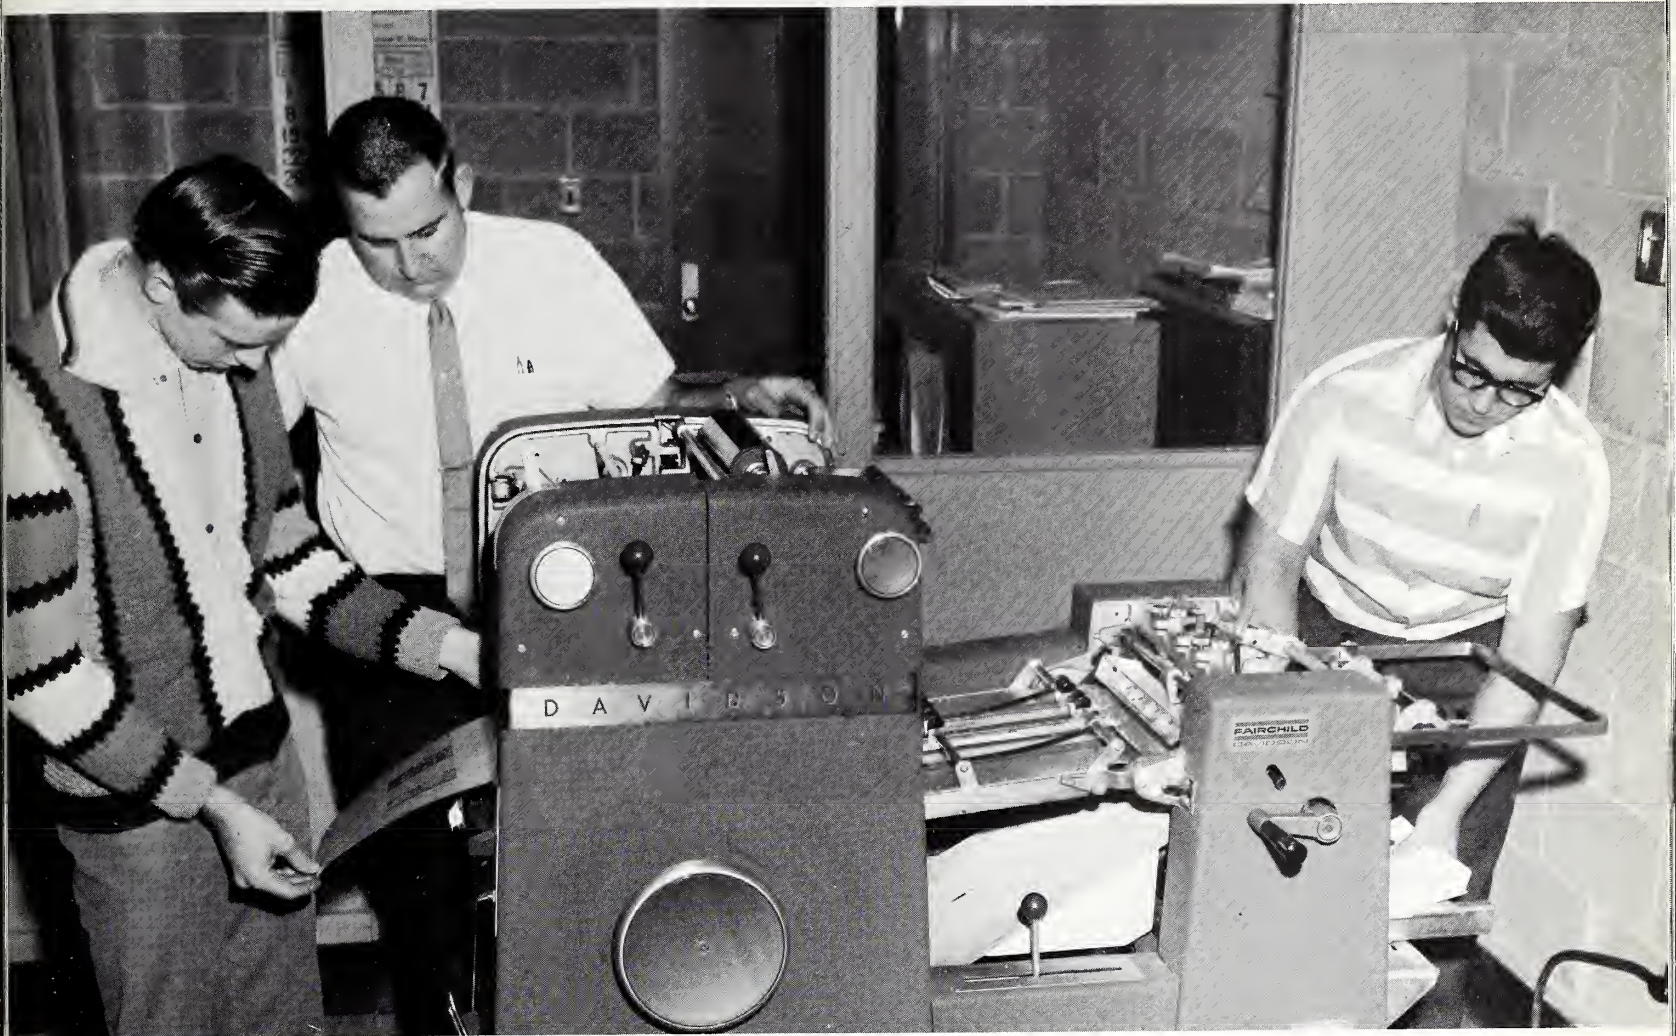

*Mr. Fulk checks SHELVES  
of Bob Neu, Richard Balster.*

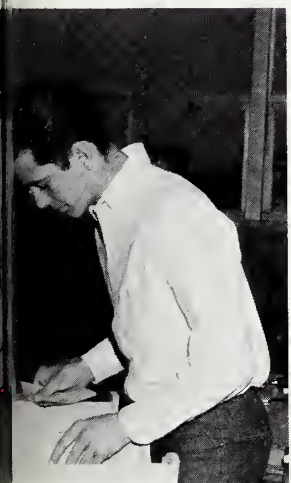

## Boys trained for many kinds of technical jobs

*Using the new OFFSET press—  
William Sims, Mr. Sarantakos, Bob Harders.*

Industrial Education continued its training program for those interested in learning a skilled trade. Exploratory activities were offered in five fields of shop work, plus drafting and blue-print reading. Two new teachers were added, bringing the total to seventeen.

The department and the whole school were shocked when Mr. Paul Liehr, veteran drafting teacher, died very suddenly, in January, of a heart attack. Mr. Liehr had been active in school affairs, especially with Faculty Association and Illinois Education Association matters.

*NOTEHAND—Bob Motley acts as lecturing college prof to give class practice.*

## Secretaries, Salesmen studied business world

*Mr. Nielsen helps his class with their BOOKKEEPING calculations.*

*Karen Wood pauses in the middle of a PROBLEM in bookkeeping.*

*Arlene Fisher types while listening to the DICTAPHONE.*

Thornton's Business Education department had much to offer this year. The faculty, made up of twenty-one teachers under the direction of Mr. Leo Bowers, offered courses ranging from secretarial practice to salesmanship. New equipment included Monroe calculators and IBM Executory typewriters.

Some of the department's special projects were the DE Record Hop and candy sales, banking and student leadership conferences. Students from Distributive Ed class decorated the faculty lounge for Christmas.

*Office MACHINES class learned to operate the new equipment.*

## Science-minded students found challenges

Science department has kept astride of the increasing interest in science in the world today. Addition of new equipment has enabled more students to participate in laboratory work and also helped teachers in presenting the "Biological Science Curricular Study."

For the first time, Thornton students took part in the Ford Future Scientists Awards. Others participated in workshops, in the Annual Science Fair, and in the Westinghouse Science Talent Search.

*BIOLOGY—Lenore Simon and Dennis Jones use the new binocular dissecting scopes in the study of fungi and molds.*

*Reading CLINIC students—Barbara Jones, Jean Cosgrove, Lydia Roberson (seated); Cindy Guinn (standing).*

## Reading and writing skills belonged to English

*RENTAL Library—Miss Holtzman, Mr. Martin check with Joyce Kellogg at the desk. Karen Chrzastowski, Gwendolyn Gray get books.*

*Shakespeare, IMPROVISED version—Fred Dechert, Claude Brooks, David Millsaps, Emmett Roe, Gail Bass.*

One of the more special projects for the English Department this year was moving the Rental Library to a different location near the new English wing.

A very significant achievement was the twelve new English classrooms in that part of the second floor formerly occupied by Girls PE classes. Gone were the little gym, the trampoline room, and the locker rooms. Miss Eleanor Nelson directed the thirty-seven teachers of Thornton's English Department in another year of progress.

*Problems of the METRIC System—Donald Washington, Ron Biernat, standing; Nancy Lindell, Robert Biernat, watching.*

## Math courses posed many problems

Probabilities and Statistics class in the Mathematics department carried on an interesting project this year. They surveyed freshman math classes, collected data, then analyzed and summarized their findings to determine what progress freshmen were making. To put their results to practical use, they assisted the freshman counselors with analyzing statistics in grades. Other classes had projects, too, as did the Math-sponsored Perigon Club, which specialized in new types of Math.

*WFF 'N PROOF, the game of modern logic—  
Larry Brown and Bernadine Prygrosky.*

*Fred Pachter arranges the Mathematical  
TURKEY as Mike Sypulski checks for looks.*

*Linda Reusnow and Dale Gregory demonstrate the  
INTERSECTION of a plane and a rectangular solid.*

*In one of the new classrooms, Mr. Miller helps his FRESHMAN Social Studies class with a test.*

## Social Studies covered world situations

*PSYCHOLOGY class—Linda Weideman, Dick Flynn, Don Czekalski conduct a discussion.*

*Mr. Stegmeir talks to the PANEL—Mary Davis, Pat Daniels, Donna Hall, Ron Biernat.*

*James Stinson addresses Mr. Gladstone's  
SURVEY of HISTORY class.*

Already one of the largest departments, Social Studies, under the direction of Mr. Clifton Satterthwaite, added two newly equipped rooms and had twenty-six teachers. New maps, showing the Indian tribes of early Illinois, were helpful visual aids for the freshmen.

The annual spring trip to Washington, D.C., was just as popular as last year and more inclusive.

## Art courses encouraged creativity

Art Department believes that all students should have the opportunity to participate in creative art expression. After taking art for at least one day a week for one semester, students may follow the course through Drawing and Painting, Art Heritage, Ceramics, Crafts, Jewelry, or Art Studio. Every class was involved in the Christmas decorations project this year. New equipment included a loom, potter's wheel, and power saw and drill.

*Michelle Johnson is the MODEL for Drawing and Painting class.*

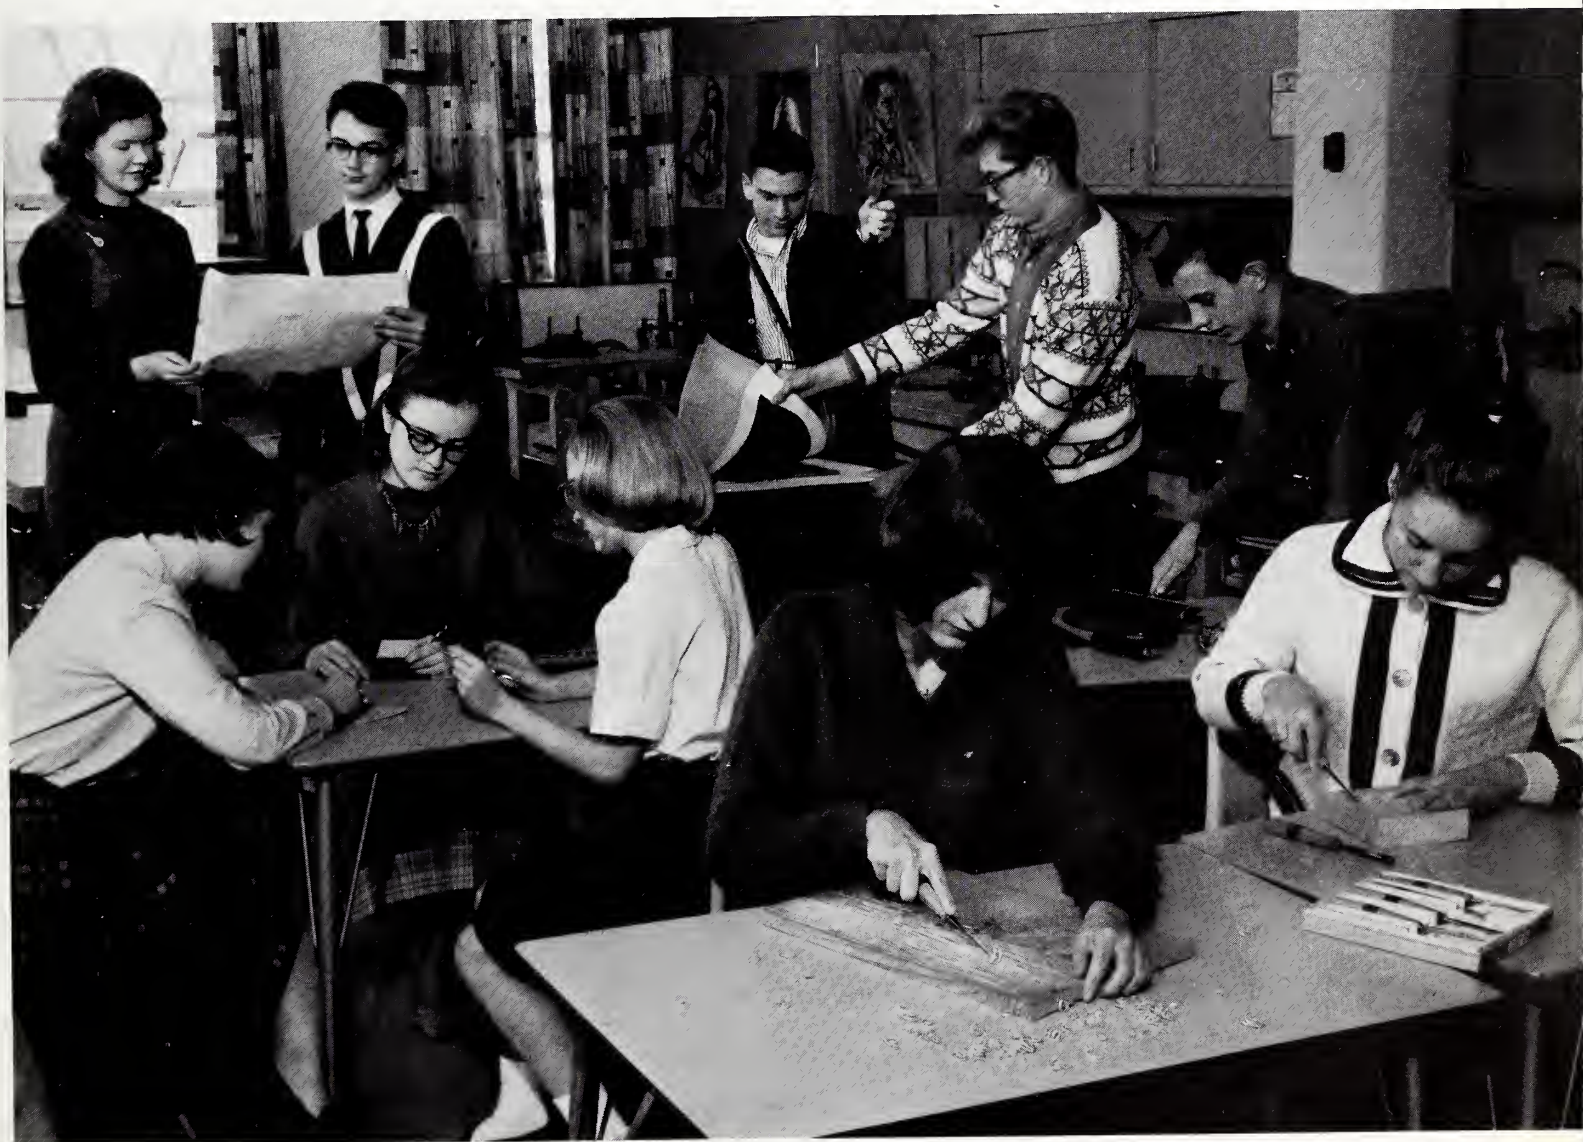

*Otto Throw and Jim Simac ready the KILN in Ceramics class.*

*JEWELRY class—Marilyn Snyder at the enamel kiln,  
Jeanene Gulan polishing stone, Arthur Wright shaping metal.*

*Many types of work went on in ART STUDIO—from wood  
block cutting to printing on the hand press.*

# Language classes learned ways of other peoples

Language lab was a popular place among students and teachers because it provided an interesting change from the regular classroom routine as well as being educational. Movies and slides showing the culture, customs, places of interest, and habits of foreign peoples gave students a chance to study the languages and the people who spoke them.

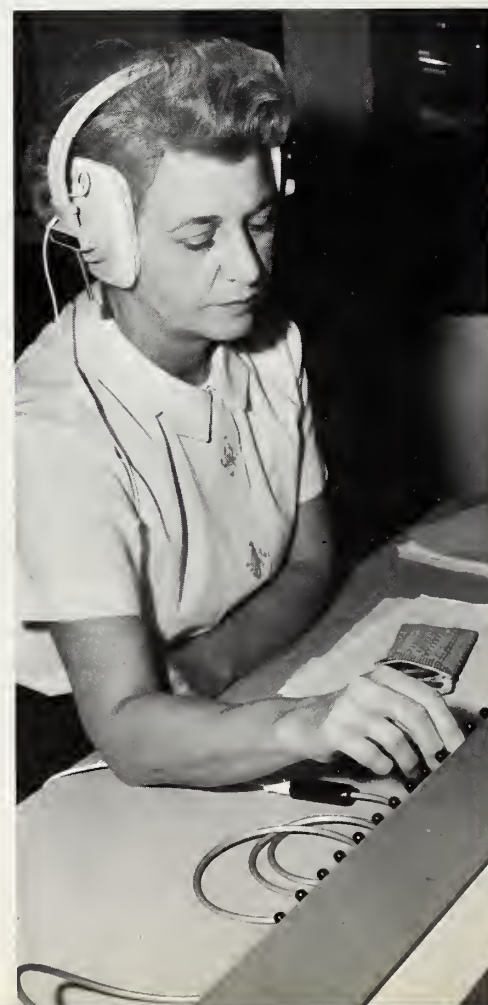

*SPANISH conversation—Mrs. Fernandez, Mike Murray, Wayne Terwilliger, Mary Spens.*

The thirteen teachers in the department had two new tape recorders to work with plus tapes for the books in Spanish III and German III. French, German, Spanish, and Latin were the four languages offered this year. Special programs, notebooks, maps, and other projects made learning easier. The department had their own honors day, a program of special events.

*LANGUAGE LAB—Joe Moscov with head phones and mike.*

*Mrs. Work, teacher, at the CONSOLE in the language lab.*

# Building problems plagued Girls PE

*TUMBLING class sets up a formation on the mats.*

*EXERCISES had the new auditorium for a backdrop.*

Girls Physical Education department provided an active program for all Thornton girls, with Miss Marguerite Begnoche as its head. Many activities were possible when the new field house was ready for use at the beginning of second semester.

A program for all freshman girls included a variety of indoor and outdoor sports. As sophomores and juniors, girls had a choice of swimming, dance, or sports. Seniors were offered a wider variety—tennis, badminton, golf, archery, bowling, ping-pong, and trampoline. After the inactivity of the first semester, the new quarters looked good. Dressing rooms were wonderful.

*DANCE groups moved into the field house, although the painting was not yet done.*

*SIT-UPS were a part of the course in physical fitness.*

## Boys PE classes kept to normal schedule

Opening of the new field house, second semester, was the big event for the Boys Physical Education department. Room to expand their activities in modern surroundings with good equipment was what they had been looking forward to.

Two new courses, scuba diving and physical fitness, were added to the already comprehensive list of gymnastics, wrestling, swimming, weightlifting, and individual sports. Restricted gym, driver education, and first aid were also on the list for a well-rounded program.

*SCUBA DIVING—Wayne Terwilliger and Larry Walloch with Mr. Gest, the instructor.*

*Coach Czech shows Vernon Perry and Dennis Delbovo the REFEREE position as Lester Taylor and Tom Ewan demonstrate a hold.*

*Mr. Gest helps Phil Amsden make an ARM SLING on Frank Papp.*

*Speech CLINIC—Mr. Carl Frey, Mike Belt.*

*Mr. Kirkham's ADVANCED Speech class meets in the cafeteria—Ruth Czarniecki at the podium.*

*PANTOMIME in Mr. Owens' class—Sandy Celinder, Mike Sypulski, Martha White.*

## Building construction scattered Speech classes

In addition to the regular courses, Speech Department provided other activities, including leadership training and two special homerooms for debate and contests.

In January both faculty and school board were introduced to the type of closed-circuit television which may soon be used in all of Thornton's speech classes.

*Records, turntables, head phones, mikes, and scripts were standard equipment for ADVANCED SPEECH class.*

# ....AND ITS FUN

*RABBITS from Storyland—  
Virginia Seidel, Ann Panozzo.*

*CINDERELLA (Debbie Mead) kneels  
before her haughty sisters (Phyllis Kinney,  
Kim Propper, Marlene Bitters).*

FRESHMAN STAND-UP, first party of the year, moved to a new time. Instead of being the usual after-school affair, it changed to homeroom and first period. Thornton freshman girls and all girls new to Thornton were guests of Girls Club.

Crowning of Sandy Falica, club president, was first on the program. Then came short speeches from class representatives. Hilarious stunts and a more serious style-show followed tradition.

*Stand-Up QUEEN—Sandy Falica.*

*WAITING to go on—Debbie Mead and Stephanie Fraggos.*

*REFRESHMENTS were welcome, even in the morning.*

## Homecoming pep session set the mood.

*PURPLE-ETTES, comic dance team, made their debut at the Homecoming pep session.*

*Coach Frank Bauman shows his CONFIDENCE in the ability of his team to win the game.*

*T-ETTES performed at half-time entertainment.*

*Thornton WILDCATS were victorious in their first day-time game in the new STADIUM.*

To arouse student spirit, KIP sponsored the Homecoming pep assembly, October 23, as the opening event of a big week end. On the program Pat Brewer, football captain, expressed his team's hopes for victory; the band played; and the T-ETTES danced. Sue Nees and Ken Jurek announced the ten members of the Homecoming court, a Thornton tradition.

Thornton Wildcats went on to their sixth win, a great victory of 32-12 over the Steelmen of Joliet Central.

*BEST ENTRY in the parade, as well as first in car division, went to the Orchesis-Gymnastics entry.*

*Social Studies Club tied with Purple X for THIRD place in the float division.*

## Parade and dance highlighted big weekend

After the pep assembly Friday afternoon, students rushed out to watch the annual Homecoming parade. Among the winning floats were the Orchestris-Gymnastics car, "Joliet's Grim Tale"; Pep Club's "Mother Hubbard's Recipe"; and the Girls Club float, "Humpty Dumpty Will Have a Great Fall." Judges were faculty members.

Saturday night came the climax of Homecoming—the dress-up dance, "Autumn Leaves." High point was the crowning of Jade Noah and Pat Brewer as queen and king of Homecoming. Parade awards were announced, too. Music was furnished by Iver Buerk and his Orchestra. Sue Fisher and Pat Ivens MC'd.

*Bill Mitchell, Boys Club president last year, hands over the TOP TROPHY to Linda Blanchard. Mrs. Bauer looks on.*

*Jeanne Overtoom, last year's queen, crowns the new QUEEN, Jade Noah.*

*Guitar DUO, Paula Genovese and Lorraine Kowalczyk, entertain at intermission.*

## Play, concert drew good crowds

Thespians presented "Cradle Song," just before Thanksgiving, in their improvised theatre in the cafeteria Garden Room. Scene for the play was the cloister of a convent of Dominican nuns. The audience sat on three sides of the stage area. Actors not performing at the moment sat behind the audience.

Parent-Teacher Association sponsored the annual Christmas concert early in December. Contributions went to the scholarship fund. All choral groups, orchestra, and band took part. Performers were located in the center of the gym floor. The audience sat on the main floor bleachers and in the balcony. Dramatic lighting enhanced the music.

*Carrying traditional candles,  
Concert Choir headed the PROCESSIONAL.*

*FINALE involved all the choruses  
and some very effective lighting.*

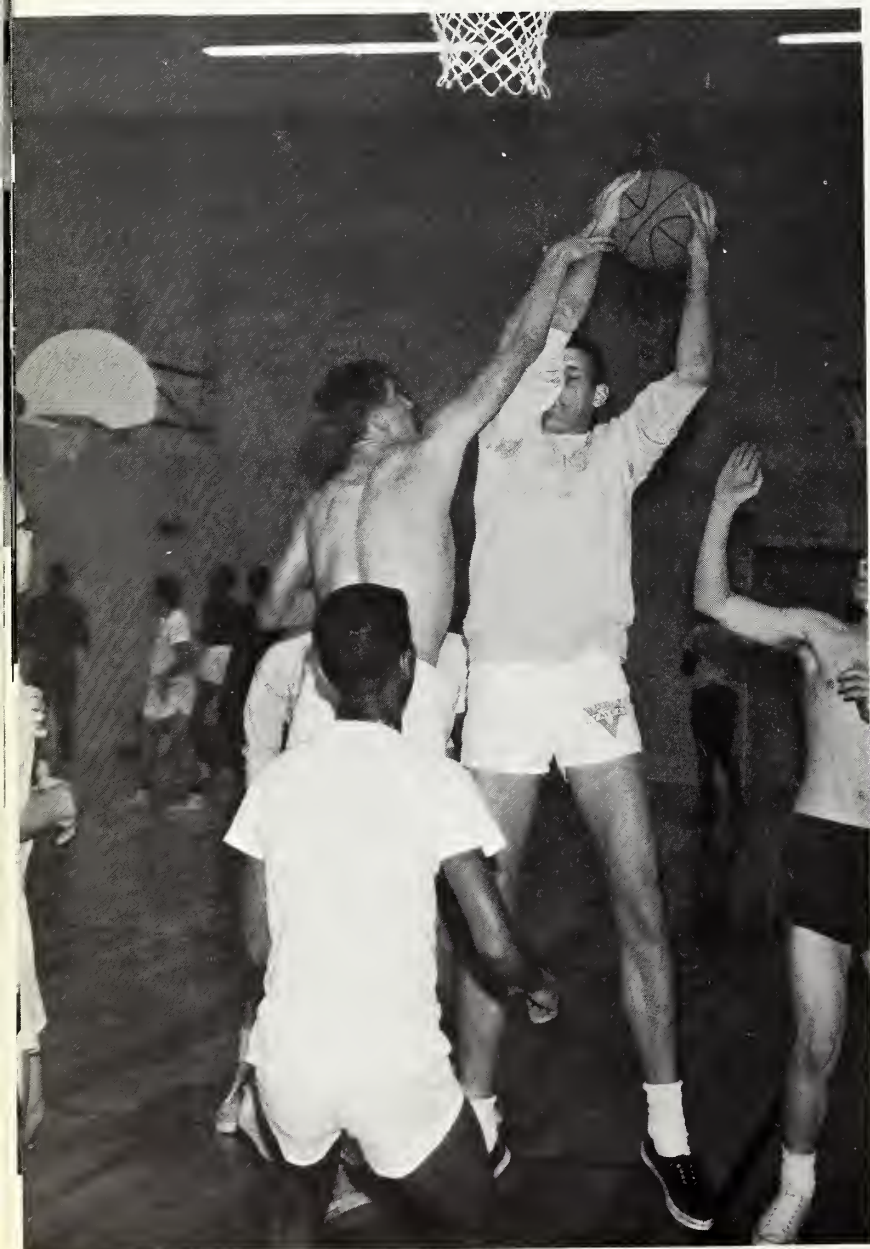

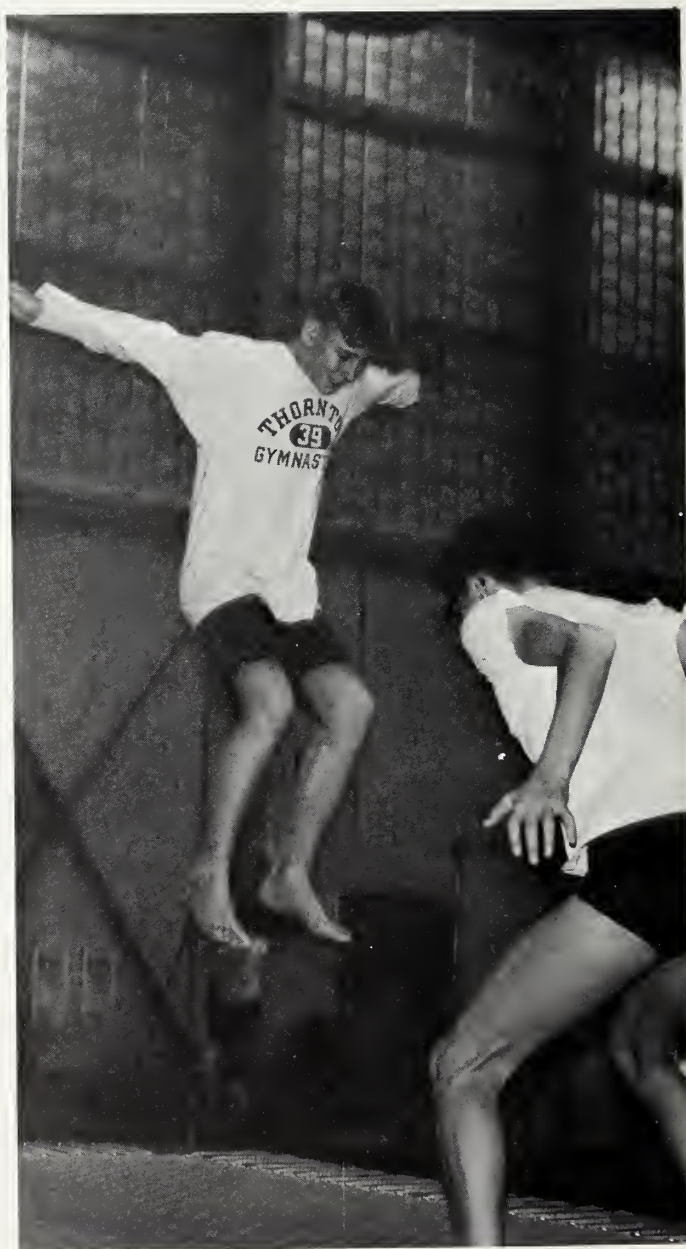

## Gym Jam, Open House, PX initiate field house

Boys Club Gym Jam, January 30, was the first all-school affair, other than sports, to make use of the wonderful new field house facilities. Then came an open house, after the Thornridge basketball game, February 5, for the general public. Hundreds of interested townspeople enjoyed the guided tours through the building. First Purple X, on February 11, was so successful that the field house was used for other PX's the rest of the season. The floor was not slick, but for standing around talking and for rock 'n' roll it was just right.

*Gym Jam BASKETBALL brought out the champs—  
Earl Whitney with the ball, Ken Jurek reaching.*

*Allen Grimes found the TRAMPOLINE  
gave him fun and plenty of exercise.*

*Bob Lendi demonstrates on the RINGS before admiring Open House spectators.*

*Mary Belfry and Barbara Klaeren check

## Politics and business had their place

*Bill Morris was responsible for a DRUG STORE sales window.*

With Richard Heino as chairman, a bi-partisan committee of students directed a mock election on the day before the Presidential elections in November. The school was divided into five precincts. To vote, students must have been previously registered.

In a series of colorful display windows suitable to the season, DE students in the Business Ed department tried their hands at merchandising through eye appeal.

## International Dinner supported Field Service

Thornton's traditional International Dinner, sponsored by KIP, was held early this year, on December 13. Donations of food representative of many countries came from various clubs at Thornton. Girls Club brought Italian food; KIP Forum, German dishes; GAA, the Orient; Social Studies Club, Poland; and FTA, the United States. Purple X brought desserts. Dishes included the old American hot dog, Polish sausage, sauerkraut, spaghetti, spare ribs, pigs-in-blankets, and chop suey. Money raised from this event went to American Field Service, to finance foreign exchange students coming to Thornton.

*Bob Gedzun SERVES coffee to some of the guests.*

*Candace Melonas, Gayle Costello, and Kay Edmonds work in the SERVING LINE.*

*HUMPTY-DUMPTY, by the Girls Club, was second in floats.*

*"Joliet's Time Is Up," a PUMPKIN, was the entry from the Senior Class.*

Thornton's Homecoming parade was a colorful one and the weather man was very cooperative. Blue skies and sunshine added to the gaiety of the spectacle. Floats, cars, and marching units passed the reviewing stand at the front entrance of TTHS and moved on down Broadway to the Harvey business district and back again.

Top honors for floats went to the Orchesis-Gymnastics entry, "Joliet's Grim Tale." Other winners were Pep Club, Girls Club, Purple X, and Social Studies Club. In cars, Cheerleaders and Triple X were successful; in marching units, band and T-Ettes were tops. Officials and honored guests rode in special cars in the parade.

Parade floats, cars were especially colorful.

*Girls Club OFFICERS rode in a car.*

*CHEERLEADERS won a prize with their entry.*

A dinner for dads in January and a breakfast honoring high scholarship in February were two traditional Girls Club affairs that aroused much interest. Four girls, who had seven semesters of straight A to their credit, were special guests at the breakfast.

Fathers enjoyed seeing some of their friends taking part in a mock wedding as part of the entertainment at "Dad's Night Out", the Girls Club dinner. Thornton's all-boy dancing group, Purplettes, added to the fun.

During Christmas vacation TTHS administration and faculty put on a punch party and get-together for Thornton alumni. Friends back home from college had fun swapping experiences with former classmates, now scattered all over the country. This affair was the first of its kind at TTHS and may become a tradition.

*Counselors, administrators, and Girls Club members with all-A grades gather for breakfast.*

## Dads, Daughters, Alumni have fun at TTHS

*Dads were guests of daughters in the cafeteria for their NIGHT OUT, an annual Girls Club affair.*

## Dances rated top in social affairs

Dress-up dances were the top social affairs at TTHS. Homecoming dance in the fall, Girls Club dance in March, and the Prom in May were the big three. "Autumn Leaves" was the theme for Homecoming; "Tender Is the Night", for Girls Club. The Prom came too late for inclusion in even the late, late yearbook deadline.

*Donna Parks presents Girls Club TROPHY to Neil Brown, chosen Mr. Irresistible. His date, Mimi Graff, looks on.*

*Zita Pochos and her date from Thornridge enjoy the "Tender Is the Night" theme.*

*ALLEY CAT Sue Fisher performs at the dance.*

PURPLE X COMMITTEE, sponsored by Mr. Henry Harms, is a school organization that handles the open-house dances after home football and basketball games, giving Thornton students a good chance to meet their friends and to talk or dance.

To gain membership in PX a student must be nominated by a teacher or by a PX member. He is then judged for his scholarship, dependability, and leadership. All new members are initiated at the spring banquet.

Supporting the American Field Service and giving Christmas gifts to needy children were among the projects Purple X completed this year.

Most unusual PX open house this year was the one on February 11. That was the PX which initiated the new field house for such affairs. How could anyone dance on that kind of floor? Well, who dances at a PX anyway? Either you stand around and talk or you gyrate in what passes for dancing. The floor doesn't matter.

## KIP officers, board planned school projects

KIP is the Student Council of Thornton. Its name is derived from the school motto, "Knowledge Is Power." Sponsor is Mrs. Marilyn Bauer, and her assistants include Mr. Abraham, Eccles, Hightower, Hiner, Mehok, Nichol森, Palmer, Pugh, Rand, and Saliba, plus Mrs. Valentin and Miss Young. Executive body of Thornton's Student Council is operated in similar fashion to that of the government of the country. Executive Board and Forum act as Senate and House of Representatives, respectively. Requirements for Forum membership (one student from each homeroom) are a 3.0 grade average with a good citizenship rating. Board demands a 3.5 grade average with good citizenship. Board meets each day, the Forum periodically.

## Committees executed council projects

Most of the work of Thornton's student council is carried on through committees. One of the largest projects was Homecoming, big week-end of the fall. Getting the whole school into the mood of decorating parade floats was a major operation. Taking care of court and royalty elections was another. Pep meetings must be planned to go off smoothly. The dress-up dance was the climax.

Other committee activities included the International Dinner, Human Relations promotion, Freshman orientation, exchange pep assemblies with Bloom and Thornridge, and the Triple X breakfasts served in the student cafeteria area before homeroom.

## Boys Club moved into new quarters

Biggest news with Boys Club this year was moving back to their old quarters on second floor. They had had to vacate when the new principal needed an office. Space allotted to the boys grew smaller

and smaller each year until it was finally nonexistent. Now with the principal's new office completed, the dean of boys and Boys Club could return to their original place.

**OFFICERS, BOARD.** *Front:* Fred Mierzwa, Jim Gibbs, board; Dean Mitchell, 1st vice-president; Jeff Merrick, president. *Row 2:* Terry Kinas, Bob Dyke, Chuck Milligan, Ken Jurek, board;

Ron Brow, 2nd vice-president; Duane Kaminski, secretary; Allen Romba, treasurer.

## Hall guards made themselves useful

HALL GUARDS, a division of Boys Club, had the responsibility of keeping halls and buses quiet, the campus clean, and the parking lot patrolled. Membership is by application and approval only.

BOYS CLUB, on the other hand, is open to all Thornton boys. New offices gave them room to operate. Among their projects were a record hop, gym jam, carnival, and Mother-Son dinner. There were scholarship and honors assemblies, a distinguished graduate project, and an exchange program with Thornridge.

Officers and board met daily with the sponsor, Mr. DeGraff. Representatives met often.

## Girls Club urged its members to be active

Organized in 1916 by Miss Frances Gordon, Girls Club has continued to serve and be served by the girls of Thornton for nearly fifty years. Mrs. Dixie Turngren, dean of girls, sponsors the club. Since any girl at Thornton can be a member if she pays the yearly dues of 25¢, Girls Club is a large organization with nearly 75% of TTHS girls belonging.

At the head of Girls Club are the six major officers—president, first and second vice-presidents, secretary, treasurer, and speaker of council. Policy-making body of the club is the board, consisting of three freshmen, four sophomores, five juniors, and six seniors elected by the girls in each of their respective classes. Girls Club council is made up of one girl from each homeroom. Council meets periodically, as needed.

Girls Club provides many social activities during the year. In September, the Freshman Stand-Up helps new girls get acquainted with sophomores, juniors, and seniors. Stand-Up also gives them an idea of what to expect at Thornton.

In the winter, Girls Club has two social activities honoring their best men—dads and boy-

friends. At the Dad-Daughter banquet, girls honor their fathers with entertainment and food. The turnabout Girls Club dance is one of the most important social events of the school year. Each girl has a chance to ask her favorite boy. In May, girls honor mothers at the Mother-Daughter banquet and crown the May Queen.

Tag days complete the list.

As the final page of the 1965 THORNTON-ITE is completed, a record of Thornton's students and activities becomes permanent. To Miss Dorothy Washburn, sponsor, and the fourteen staff members, its completion marks the end of months of filing, typing, writing and editing copy. Financing the yearbook beyond the subscription sales was met by the sale of underclass pictures. The total hit a record high this year.

Each day staff members spent homeroom and one other period in the office plus outside time.

THORNTONITE newspaper staff, under the supervision of Mr. Edward Olson, this year marked the fiftieth anniversary of publication.

It was a year of change for the paper with the introduction of a new column called "College Quips" and the launching of an austerity campaign to lower expenses. A six-page homecoming edition in purple ink, a Christmas one in green, plus two other six-page numbers marked the extent of extras.

Miss Roselee Baer became business adviser.

In order to belong to LIBERETS, one must be willing to give library service every day. This organization meets on the first Friday of every month during homeroom. It is sponsored by Mrs. Shephard, Mrs. Trantham, Miss Micek, and Mrs. Brown. Service awards are a certificate for one year, a gold pin for two, a sterling pin for three, and a special gift for four.

**BOOKSTORE** Assistants must be above average students, be responsible, be trustworthy, and be able to keep up with their homework. Sponsors are Mr. Peterson and Miss Oppelt. Responsibilities include counting, pricing, and selling needed supplies to students and faculty at the school store.

## Departments had clubs

BIOLOGY CLUB toured Ingalls Memorial Hospital and also previewed movies to be shown to biology classes. With Mr. Pennington as sponsor, a small scholarship was given to a senior member and membership was substantially raised.

Increased participation in social studies and enrichment of the social studies curriculum were the two aims of SOCIAL STUDIES CLUB. Supervised by Mr. Caster, Mr. Miller, and Mr. Abraham, it completed a homecoming float, made a trip to a college, and sponsored the Washington, D. C. trip.

A grade average of C or better in an academic math course is required for PERIGON CLUB membership. The club arranged a math display case and had a lecturer who spoke on a subject related to the year's theme of "Boolean Algebra."

## Stadium completed in time for fall games

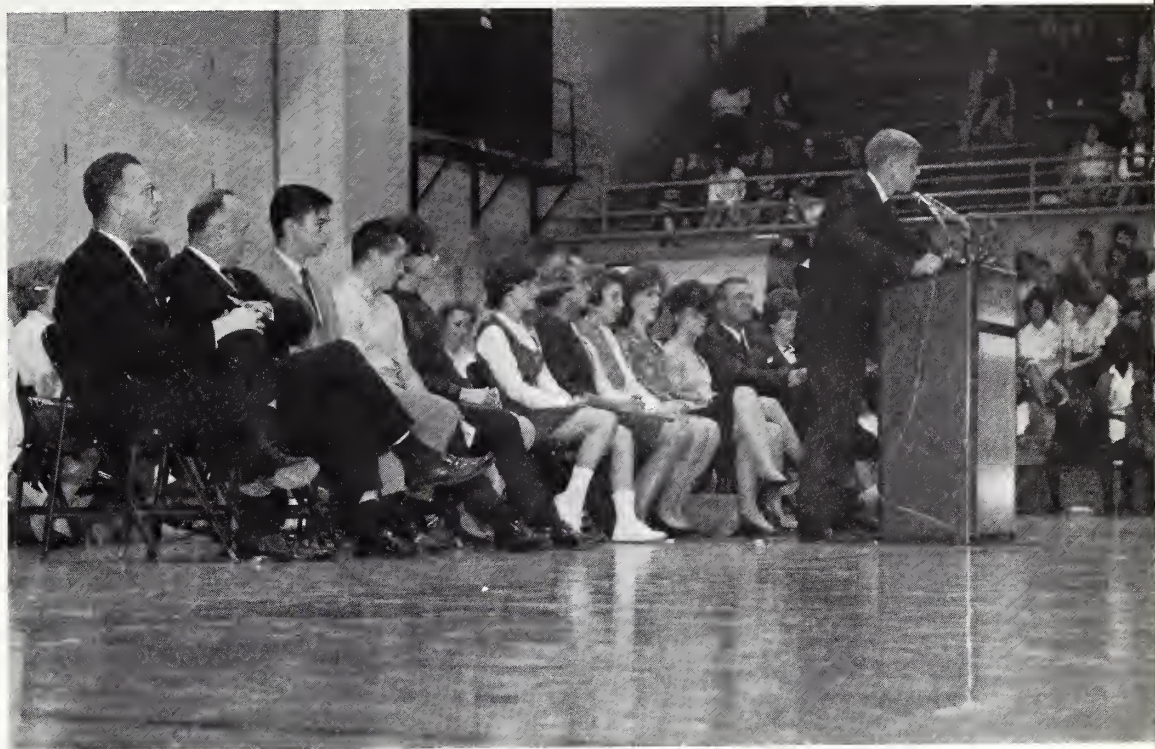

Thornton had one of its greatest sports seasons in 1964-65. In the fall, Varsity football team under a new head coach, Frank Bauman, and with a new stadium in which to play, won the South Suburban League championship. Swimming and wrestling teams also had good seasons.

In the winter, two teams battled each other for the attention of Thornton's student body. Gymnasts made the best record in their history and finished sixth in state. Varsity basketball team had another fine series of games and went down state for the first time since 1961. They won fourth place in a series of hard battles.

## Games meant PX, pep

Sports played an important role in the life of almost every student at Thornton. Some students actively participated; others specialized in moral support by attending games and rooting for the team. Cheerleaders controlled organized cheering and helped to keep school spirit at a high peak. Pep assemblies gave everybody a chance to take part. When the games were over, Thorntonites liked to go to Purple X open houses to dance or to talk with their friends.

## Success marked football season

Thornton's varsity football team had an outstanding year. In Frank Bauman's initial season as coach, the Wildcats finished in a tie with Bloom for the championship of the league and a fine record of 8—1—0. The team scored a total of 241 points to only 96 for their opponents. Four times this season the Wildcats held their opponents scoreless.

Many of Thornton's football players received honors this season. Al Howard, Wally Olczak, Frank Piekarski, Bob Swietlik, and Lamarr Thomas were named to the all-South Suburban grid team. Captain Pat Brewer and Bob Dyke received honorable mention. Al Howard, Thornton's fine center, received all state recognition, a much coveted distinction for any football player.

Thornton's sophomore football team had a good season this year, too. They finished with a 6—2—1 record. In nine games the Wildkits scored a total of 109 points to 83 points for their opponents and held them scoreless four times.

There was a total of 49 award winners on this year's frosh-soph team. Many of them will be on the varsity next year and their ability will provide that squad with extra depth. Frosh-soph Wildkits were coached by Richard Bruno and William Francis.

Freshman team had a 5—2—1 record. Three times they held their opponents scoreless and only once were they themselves held scoreless.

Coaches Willie Brown, John Carlson, and Ken Gest were proud of the team's 47 award winners.

Thornton's varsity football team had its first winning season in three years. The Wildcats won the South Suburban League championship for the first time since 1959. Thornton fans could see from the very beginning of the schedule that the 1964 Wildcats would be a winning team.

After edging Joliet West, 18—14, at Joliet, Thornton christened its new 6,000 seat football stadium with a 20—0 victory over Eisenhower of Blue Island. The ball used in this game was appropriately awarded to Thornton's athletic director, Tiny Huddleston.

Of the nine games the Wildcats played this fall, none was better played nor more important than the game at Lockport. Those Thornton fans lucky enough to see it were thrilled by Thornton's tremendous comeback in the second half after a poor start.

Another high point was the Homecoming game with Joliet Central. Besides making the 1964 Homecoming more enjoyable, Thornton's 32—12 victory marked the first time a Thornton varsity football team had ever beaten Joliet. Only the loss to Bloom blemished a fine season.

## Basketball team makes Elite Eight tourney

Thornton's Varsity Wildcats were very successful in tournament competition this season. First participation came with the annual Centralia Holiday Tournament, an invitational tourney during Christmas vacation, in Centralia, Illinois. Wildcats finished third out of the sixteen teams entered and lost their first game of the season.

Experience gained by playing at Centralia was largely responsible for Thornton's great success in the state eliminations later in the year. High points in state competition were the Wildcat victory over rival Thornridge in the Regional, the thrilling victory over Proviso East in the Sectional, another one over East Leyden at the Super-Sectional, and the exciting win over Marion in the state semi-finals.

Varsity go to state,  
Frosh look good,  
Sophs finish on top

Thornton basketball fans had a very exciting winter. Varsity compiled a tremendous record of 28 wins to only 3 losses in overall competition and had a 16—0 conference record. Wildcats captured the South Suburban League championship, the Thornridge Regional, the Thornton Sectional, the Aurora Super-Sectional, and finished fourth in the state meet at Champaign-Urbana.

Among the outstanding players on the team were Rich Halbert, LaMarr Thomas, Ken Whitted, Larry Seiner, Vic Jackson, and Captain Harry Hall. Hall averaged better than 20 points per game and was selected for the all-state team. Wildcats were coached by Bill Purden and Tom Hanrahan with assists from others on the staff.

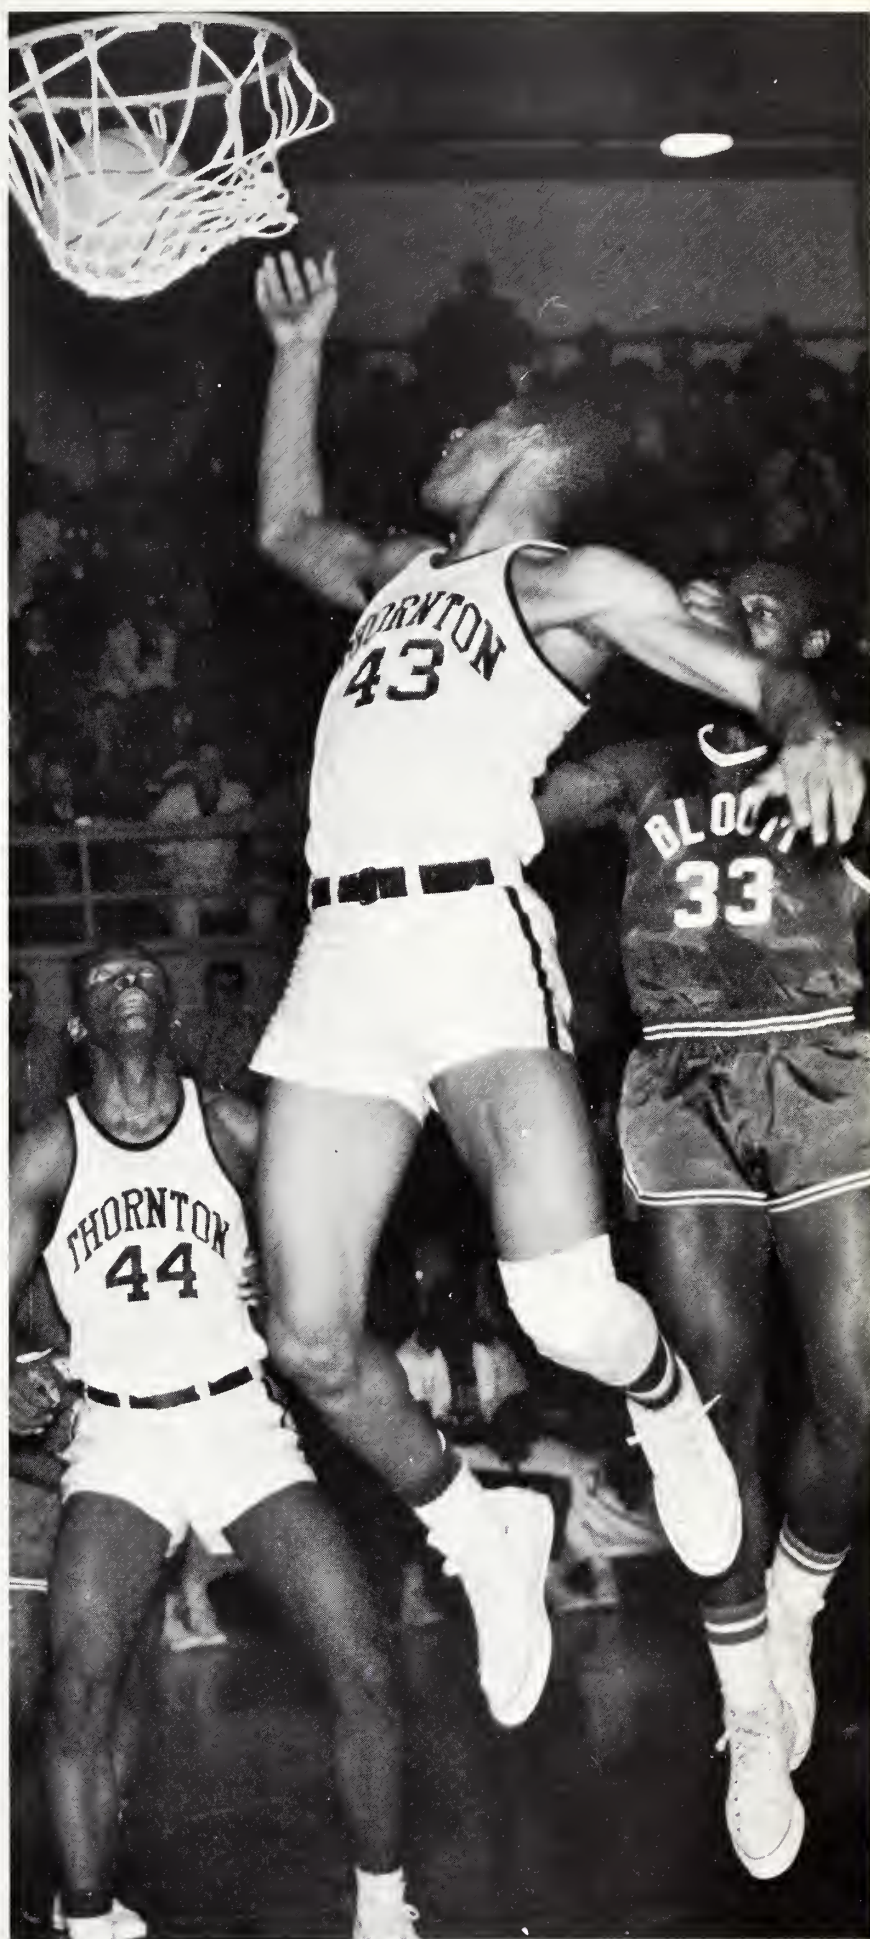

Frosh-Soph Wildkits, coached by Bob Anderson, had another great season. They were conference champions for the fourth time in a row with a fine conference record of 14 wins to only 2 losses. The team was 15—3 overall.

Junior Varsity and Freshman basketball teams also made good. These teams, coached by Bob Williams and Jack Hayse respectively, had 10—0 and 12—2 records to contribute.

## Both tennis teams made good records

Varsity tennis squad, coached by Charles Moore, had a good 1964 season. The team compiled a record of nine wins and four losses. They finished second in the league and second in the district meet. The team shut out their opponents three times and never lost by more than two points. The team sent a doubles team to the state meet. Among the outstanding players were Dan Keller, Mel Konsoer, Stan Delaney, Phil Krick, John Withgott, and John Moravek. There were fourteen award winners.

Frosh-Soph tennis squad had an excellent 1964 season. Under the direction of Coach Bob Sutor, the team amassed a tremendous record of seven wins, one loss, and two ties. The netmen finished second in the league meet by scoring ten points. Fourteen boys received letters.

## Golf breaks even, C-C goes down state

Varsity CROSS-COUNTRY had an excellent season last fall. They compiled an impressive record of ten wins and only three losses. The team placed second in the conference, second in the district, and nineteenth in the state. This was the first year Thornton has gone down state.

Frosh-Soph CROSS-COUNTRY won seven meets and lost four. They finished fourth in conference. Both cross-country teams were under the direction of Coach Dick Foerch.

GOLFERS had a fair 1964 season. The team established an even record of seven wins and seven losses. They took fifth in the conference and ninth in the district meet.

Seven boys were awarded letters. The team was coached by Bill Purden. Thornton beat Rich East, Eisenhower, and Kankakee once each, and Bloom and Argo twice. Lockport was the only team able to defeat the 'Cats twice.

## Cheerleaders, Ushers worked hard at every game

With the training of Miss Bonnie Winslow and a lot of hard work, Cheerleaders continue to promote school spirit. Requirements are a 3.2 average in grades, a knowledge of sports, plus enthusiasm, ability, voice, and personal appearance. For the first time this year, girls at tryouts took a test on basketball and football. Cheerleaders kept the sportsmanship level high.

Because of big attendance at games, order is extremely important. The function of Game Ushers is to help keep that order. Under the direction of Mr. Pohlhammer, any boy with a good citizenship record and a C average could become an usher. At all home basketball and football games the boys assisted faculty to promote good sportsmanship and orderliness among fans.

## Majorettes and T-Ettes entertained game crowds

T-Ettes, sponsored and trained by Mrs. Arlene Bruno, are a very busy precision dance group. They perform at pep assemblies, basketball and football games. They meet one class period each day. Having a C average and showing dancing ability are required for membership.

Thornton's Majorettes, sponsored by Mrs. Bruno, performed during the half-time intermissions of basketball and football games. They also took part in Homecoming and city parades. They practiced one class period daily. Girls are selected at the beginning of the school year.

## GAA promoted vigorous activities at TTHS

Girls Athletic Association aims to provide girls at Thornton with enjoyment, skill, and competition in sports. Membership is open to any girl who completes one sports season. Three afternoons a week members have a choice of sports after school.

GAA board and officers meet every Wednesday to discuss plans for activities. GAA forum, made up of homeroom representatives, assists in plan-

ning GAA projects. This fall, representatives from GAA attended a playday at Oak Lawn Community High School and in February had their own playday at Thornton. The organization sponsored a pep assembly in March and, to climax a year of vigorous activity, the traditional end-of-the-year picnic. Miss Wetzel was sponsor. GAA joined Orchestris in promoting the dance show in May.

## Gymnasts, swimmers organized special clubs

Girls GYMNASTICS Club was organized one year ago with the intention of promoting gymnastics among girls. Although the club started with only fifteen members, it has now grown to thirty who perform at half-time intermissions at basketball games. Under the supervision of Mrs. Sharon Pirkel, these girls meet every Tuesday after school. A knowledge of gymnastics and ability to pass try-outs are requisites. The club has sponsored an all-girl gymnastics meet.

Under the supervision of Miss Beverly Toland, CASTALINAS Swim Club meets every Thursday after school. During these meetings, members make preparations for the biennial swim show. Through the year girls try out for solo, duet, and trio numbers of the swim show. To be a member of the Castalinas, a girl must be an excellent swimmer and must pass required tests.

# THE PEOPLE

SUPERINTENDENT. Dr. James D. Logsdon,  
B.Ed., M.A., Ph.D., superintendent of Thornton  
Township schools.

## Superintendent gets administrative assistant

Dr. James D. Logsdon, the very busy superintendent of Thornton Township schools, now has an assistant to help on administrative matters and so relieve him of many routine duties.

Dr. Logsdon served on many committees this year. He is a member of the Educational Policies Commission and the board of directors of National Safety Council. He was chairman of Illinois Association of School Administrators. He also attended the Atlantic Treaty Association as a delegate and was vice-president of the board of Harvey YMCA.

Mr. Robert Hanrahan, administrative assistant of District 205, is not a stranger here. In 1957 to 1960 he taught social studies at TTHS and was sponsor of KIP; then he joined the Thornridge faculty. Now he is back as a public relations man and is in charge of recruiting the clerical and teaching staff in the district.

ADMINISTRATIVE ASSISTANT. Robert P.  
Hanrahan, M.E.

**BUSINESS MANAGER.** Mr. J. A. Peterson, B.A., M.S.; business manager and secretary to Board of Education.

**COUNSEL.** Mr. Burton Evans, school attorney; Mr. A. F. Waldschmidt, township treasurer.

## Board loses one member, gains another

When Mrs. Robert Pebworth was elected to the state legislature, she resigned as a member of the board of education. To complete her unexpired term, the board appointed Dr. W. Maurice Winston, the first Negro to serve in that capacity.

The seven members of Thornton's Board of Education give their time and effort unselfishly, working to make TTHS better than ever. They

tackle such duties as revision of policies and promoting the passage of important school bonds. They are assisted in legal matters by the board lawyer, Mr. Burton Evans and in money matters by Mr. A. F. Waldschmidt, township treasurer.

Mr. John A. Peterson, business manager, sees that bills are paid and supplies bought. Because of building construction, he has been very busy.

**BOARD OF EDUCATION.** Robert H. Reese, Willis S. Gouwens, James T. Ozment, Henry Vandenberg (president), Herbert G. Greiner, Louis Boudreau, Mrs. Robert Pebworth.

## Principal, Assistants find much to do

Thornton's steadily increasing enrollment has made numerous adjustments necessary, both in duties and in office space, particularly the latter. When the principal's new suite on the first floor was finished in mid-winter, Mr. Renfrow moved there, leaving his former office to the dean of boys. Mr. Carl Beier, college counselor, stayed put, but Mr. G. R. Valbert, administrative assistant, moved to the office where the IBM machines had been, and the machines moved to new quarters. These changes permitted a re-shuffling of some of the counselors' offices to make room for various assistants. To the uninitiated, it all seemed rather confusing, but those concerned were much happier with more elbow room.

PRINCIPAL  
Omer W. Renfrow, B.A., B.E., M.Ed.

ASSISTANT PRINCIPAL  
G. R. Valbert, M.S.; Administrative matters.

ASSISTANT PRINCIPAL  
C. L. Beier, B. Ed., M.S.; College counseling.

## Director of Research works on future plans

Dr. Ernest M. Hanson, Thornton's director of research, has made a major contribution to the betterment of all three schools in District 205. Through his promotion of successful bond referendums, both while he was superintendent and after his retirement from that post because of illness, the tax ceiling for the district was raised. As a result, teachers' salaries were greatly increased and much-needed buildings were constructed.

The bond issues which purchased the ground for Thornridge, constructed the original Thornridge building, and made possible the Technical Building and Administration wing of Thornton were done under his leadership. He had an important part in conducting the most recent bond campaign which financed the new auditorium and the field house.

Because Dr. Hanson works quietly behind the scenes, most students and very few faculty realize the important part he plays in their welfare.

DIRECTOR OF RESEARCH  
Ernest M. Hanson, B.S.; M.A.; Ed.D.

DEAN OF GIRLS  
Mrs. Dixie Turngren, B.Ed.

Having a genuine interest in all Thornton girls—those with problems as well as those without—has made Mrs. Turngren the effective dean of girls that she is. One of her main interests is to help all the girls at Thornton maintain high standards in their behavior and grooming. She is always around for girls to turn to with any type of problem, be it disciplinary or counseling.

Besides being dean of girls, Mrs. Turngren is sponsor of Girls Club. She supervises all the activities of the club and sponsors their many worthwhile projects throughout the year. Two highlights of this school year were revision of the activity point system and remodeling of the club room.

## Deans helped students with personal problems

DEAN OF BOYS  
Mel DeGraff, B.S., M.A.

Fifteen years ago Mr. DeGraff, a Thornton graduate, started his teaching career at TTHS. For ten years he taught boys PE, swimming, football, and track. For the past five years Mr. DeGraff has been Boys Club sponsor and dean of boys.

As sponsor of Boys Club, Mr. DeGraff must supervise all club activities and be an adviser to the Hall Guard Organization. As dean of boys he is willing to help all boys at Thornton with guidance and counseling.

A bright spot in Mr. DeGraff's year was being able to move into a new and larger office. He returned to the office he vacated when Mr. Renfrow came to TTHS as its new principal.

SENIOR COUNSELOR  
Mrs. Ruth J. Harms, B.A., M.A.

Mrs. Ruth Harms, as senior class counselor, was very busy getting her class graduated with as few worries as possible. Supervising the ordering of commencement announcements and caps and gowns, plus sponsoring the prom were a comparatively small part of her duties. Her big concern was keeping seniors aware of their responsibilities toward graduation.

Miss Gray, as junior class counselor, shared many of Mrs. Harms's problems, such as the prom and selection of NHS members. There was also the selection of class rings and of graduation ushers.

Mr. Toby Hightower tried to help each sophomore in his year of decision. He tried to convince each student of the importance of staying in school. By means of extensive testing, Mr. Lercher helped freshmen choose courses and vocations.

SOPHOMORE COUNSELOR  
Toby Hightower, B.S., M.A.

JUNIOR COUNSELOR  
Marthalou Gray, B.S., M.S.

## Counselors were source of understanding for academic problems

FRESHMAN COUNSELOR  
George D. Lercher, B.A., M.A.

BILL BURLESON, B.S., M.S.  
Senior Counselor; Social Studies.

Steady increase in Thornton's school population has meant that assistant counselors are needed to help with guidance problems. Although each of the four assistants still does some teaching, he spends more than half his time on guidance work.

Each assistant counselor is assigned approximately half the class to become acquainted with and to help with scholastic and personal problems. Discipline cases are his concern too.

The closer a class gets toward graduation, the more care is needed to see that credits are in order and requirements are being met. Assistant counselors carry a full load of responsibility for their students as well as doing their share of helping with the extra-curricular activities.

ARTHUR H. HARMS, B.S., M.E.  
Freshman Counselor; Social Studies.

ROBERT E. ANDERSON, B.S., M.A.  
Junior Counselor; Business Ed.; Coaching.

## Assistant Counselors took on full time jobs as school enlarged

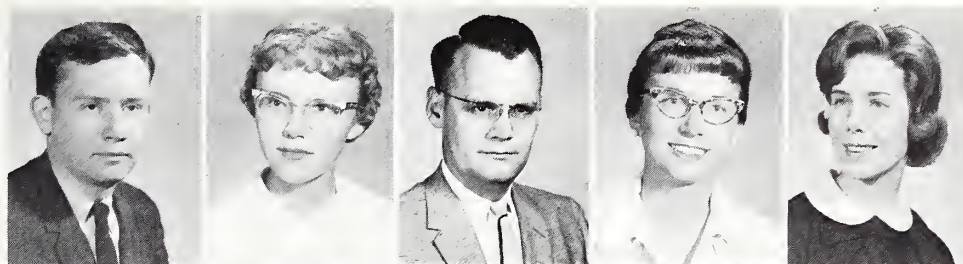

WILLIE BROWN, JR., B.S., M.S.E.  
Sophomore Counselor; Coaching.

Department chairmen are constantly trying to improve and upgrade courses of study and teaching methods in each of their departments. They supervise the testing program and the materials for instruction. Department chairmen also help new teachers to become oriented and they offer suggestions to others. Periodical meetings with teachers in the department bring out new ideas.

Principal's Advisory Committee meets four or five times a year to discuss various school situations and problems. The committee is headed by Mr. Renfrow and has one representative from each department but not the department head. The committee provides a closer relationship between administration and faculty. It is also a forum for new ideas and suggestions.

## Faculty, Parents helped solve school problems

Under the direction of Mr. Edward Jenkins, Faculty Association met four times to decide upon matters of teacher welfare. Along with sponsoring scholarships for students wishing to teach, the association deals with such professional interests as salary, sick leave, legislation, and professional growth. Members are from both Thornton and Thornridge and from TJC. Representatives attended each Board of Education meeting, and a committee published TNT, faculty news letter.

Aim of the Thornton Parent-Teacher Association, headed by Mrs. Jasper Tromp, is to better acquaint parents and teachers with one another. Monthly meetings included talks and panels.

Funds for scholarships were brought in by the annual P-TA sponsored Christmas concert. Speakers from Acme Steel highlighted the April meeting with a talk on career and job opportunities. In May, P-TA climaxed the end of another very successful year with the Parent Prom.

PARENT-TEACHER ASSOCIATION. Mrs. Lewis Carr, secretary; Mrs. Claude Bonnell, treasurer; Mrs. Jasper Tromp, president. Not present — Mrs. Wayne Murphy, vice-president; Mrs. Wayne Stanfield, historian.

Sharing a brand new, beautiful office were Mrs. Gorman, Mr. Renfrow's secretary, and Mrs. Kenny, a secretary who served both Mr. Renfrow and Dr. Hanson. The director of research, the department of adult education, and the school's IBM machines were located in this large office suite. There was also a large conference room, displaying brightly colored chairs.

Secretaries in the main office were kept busy with the daily task of filling teachers' mailboxes with mail, announcements, and other information. They also typed daily announcements and absentee lists. Miss Harthun, Dr. Logsdon's secretary, had her office in this area. She had more time to do her secretarial work this year because Mr. Hanrahan relieved her on one job—that of handling personnel problems.

**REGISTRAR'S OFFICE.** Mrs. Leona Wiener (registrar),

## Business office served all three schools

While students gathered in the halls before school, teachers gathered in the Main Office, to pick up their mail and the daily announcements, placed in their boxes by the office personnel. In the Business Office, pay checks were processed. That office, too, was responsible for doing the book-keeping for all school accounts, big or little.

In the Registrar's office were processed all student records. Notices to parents regarding unsatisfactory scholarship or failures, as well as quarterly report cards, were mailed from this office. Grade and citizenship entries were made on each student's record all through his TTHS career. His attendance and activities appeared there too.

**BUSINESS OFFICE.** Mrs. Margo Harkreader, Mrs. Margaret Kleckner, Mrs. Hazel Estes, Harriet Burton.

Under the direction of Miss Florence Waterman, Thornton's twenty-woman cafeteria staff provides about 2200 hot lunches and at least 1800 snacks a day during the five lunch periods. Beginning at eight a.m. the staff is divided into teams for preparing the meats, vegetables, salads, desserts, and other dishes. The staff is always trying new food, and this year meat loaf and pizza have been especially successful.

Four thousand cartons of milk are consumed by the students each day. Menus are made up a month in advance. At Christmastime the cafeteria serves a special turkey dinner that is always welcomed. The staff also serves at about twenty special dinners and banquets during the school year. Included are those for the Board of Education, Girls Club, Boys Club, Triple X, Co-ed Club, and the TJC advisory committee.

## New buildings added maintenance problems

Thornton's maintenance department has had a hard time keeping floors clean with all the mud and dirt tracked in from disrupted parking lots and lawns. The amount of floor space to be cleaned has been greatly increased with all the square footage of the new field house. During the winter, heating was a problem with frigid conditions at the south end of the main building where the new auditorium was being erected.

There will be a terrific clean-up job coming when construction workers leave and lawns and shrubs must be restored.

Meanwhile, walls must be painted in the older parts of the building and general repairs must go on. In the middle of all this disruption, Mr. Howard Doster, building superintendent, has time for Thornridge, while his secretary, Mrs. Irene Williams, holds the fort at Thornton.

## Seniors began final phase of school life

*After Honors Day assembly, Laurel Rasplica, Donna Galloway, Scott Koves, compare NHS cards.*

Senior Class, counseled by Mrs. Ruth Harms and Mr. John Burleson, started the year by submitting an entry in the Homecoming parade. College Night, also in the fall, gave college-bound seniors a chance to meet with the representatives of various colleges who gave them and their parents an over-all view of college life and expenses.

When Prom time rolled around in May, class officers, assisted by the juniors, had preparations well in hand.

As the school year came to a close, Seniors fulfilled one of their final duties at Flag Day when the senior president gave custody of the Flag to the junior president in an impressive ceremony.

Thornton's chapter of National Honor Society is noted for money-raising projects, like the Taffy Apple Sale and the Book Nook. Money earned buys pins and ID cards for new members.

Potential members, selected from a list of students who have met the necessary grade requirements, are rated by their teachers for their character, leadership, and service to the school. Eliminations from the list are made by a committee of faculty members appointed by Mr. Renfrow to review the ratings. At this point, students are identified only by numbers, not by names. Then, ten percent of the senior class and five percent of the junior class are picked to join NHS. At the Honors Day assembly names of all new members are announced. Parents of successful NHS candidates are invited to attend the assembly and visit with friends at the reception afterwards.

## Many Seniors received scholastic honors

Honors Day is an impressive, exciting Thornton tradition. Outstanding seniors receive recognition for academic, artistic, and athletic achievements. Winners of college scholarships and appointments are named. The most important moment comes when the list of new members elected to National Honor Society is announced. After they take the oath of membership and receive their official pins and gold tassels, new members attend a reception.

Twenty-five outstanding juniors also play important roles. Serving as guides, the two top-ranking girls march in the processional and show the seniors to their seats. The remaining scholars serve as graduation ushers.

## Top flight Juniors headed procession

*Mr. Beier CONGRATULATES Mike Cetera.*

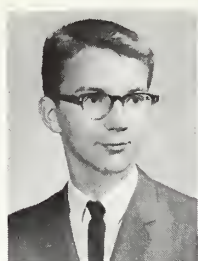

Regardless of whether a senior looked forward to it with anxiety, happiness, regret, or even fear, Commencement was one Thornton memory that will survive in the mind of every graduate.

The last official gathering of the class of 1964 began with the processional of the graduates. Following speeches made by members of the class, Mr. O. W. Renfrow delivered the presentation of the class, and Dr. J. D. Logsdon accepted the class. Then, as each student was awarded his diploma by Mr. Henry Vandenberg, President of the Board of Education, he finally realized that this was the moment he had worked and waited for.

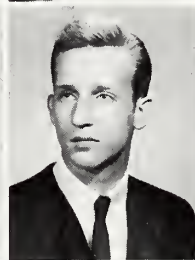

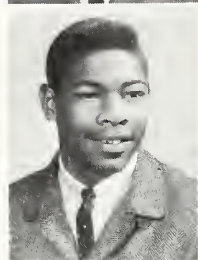

Less than a month before graduation, students danced to the soft music of Ted Allen and his ten-piece orchestra. Grass huts, sand, palm trees, and Tahitian-clad servers helped to make the prom, "Tahitian Magic", more memorable.

## Juniors lead TTHS underclassmen

In school activities, JUNIORS took the lead among underclassmen. Choice of class ring design was one of their first decisions. Major parts in all-school clubs like KIP, Boys Club, and Girls Club fell to their lot, too.

They took part in testing programs like ACT and PSAT. Those who were forehanded made their choice of colleges and sent in applications. Check-ups on credits assured the proper number for graduation or enabled counselors to adjust schedules to correct errors or deficiencies.

Juniors took important roles in dramatics and in sports. High rank in scholastic achievement plus good character and service to the school made many of them eligible for National Honor Society. Many others, who didn't qualify for

NHS, got their names on the honor roll.

Special organizations like Purple X, departmental clubs, and hobby groups interested a great many Juniors, but SOPHOMORES were beginning to make their influence felt. Comparatively few Freshmen took part in all-school activities, but by the time they became Sophomores, they knew their way around and were enthusiastic enough and hard working enough to do their part on committees.

FRESHMEN postponed election of their officers until the second semester. Up to that time they were too busy orienting themselves. Once over the first semester hump, they were going strong with officers, senators, and forum members eager to do their share.
